## *Ackley-Schilling*

Ackley-Schilling moved forward to find an enriching and purposeful meaning to dorm life. Its purpose was to promote an understanding between administration and students.

Ackley-Schilling took an active part in the campus. The response to this year's blood drive and their great first place showing in the Snow Carnival sculptures with sister dorm, Hadley-Britton, showed some of this enthusiasm.

## Hadley-Britton

This year Hadley-Britton has a fired up house council. The enthusiasm in Valley 1 has been rewarding. For the first time, the entire Valley 1 has undertaken many projects together, such as joint house council meetings, and a joint homecoming float.

Mixers and parties between "brother-sister" floors, speakers, and fashions shows are all on the year's agenda. All-in-all, Valley 1 is *involved* this year, not only in its complex, but in the community as well.

# Draper

Draper Hall, which was populated primarily by freshman women this fall, encouraged a large amount of student freedom and promoted self-determination. A prevailing community spirit exhibited by the residents promoted co-operative living. The girls discovered that dorm life could be a rich and rewarding experience.

## Davis

Young and lively was the 1970-1971 look of Davis Hall. In the fall, residents busied themselves with Homecoming preparations, a scholarship dinner and helped out with the "Kids and Us" program. The winter semester's new officers carried on the Davis spirit through the Snow Carnival to the end of the year.

# *Ellsworth*

In evaluating Homecoming and its relevancy to their purpose of being students at Western, the men of Ellsworth have "phased it out of their program". They attempted to get the educational, social and athletic programs throughout the campus. Ellsworth's council tried to provide living conditions that were more life-like and up to date with today's society.

## Smith-Burnham

Being a new men's residence hall comprised of primarily freshman and transfer students, Smith-Burnham had its unique situations. The primary orientation of the Smith-Burnham house council is two-fold. First, it concerned itself with the aspects of this "transformation" and, secondly, it tried to engender a sense of community awareness through the use of various service projects and educational programs.

## Bigelow

The men of Bigelow Hall have aimed at change, to keep up with a changing university. They have tried to create an atmosphere which allows them to be open-minded, informed, and yet still allow for fun. Some of the additions to the dorm have been a new pool table, and pin ball machines.

## *Eicher-LeFevre*

Eicher-LeFevre's House Council was composed of twenty-two women representing all residents of the dorm. They acted as a decision-making group about such matters as dorm solicitation, voting on open visitation and payments for dorm projects. Dorm projects included Homecoming and Snow Carnival.

Officers with fine leadership qualities made it difficult for Eicher-LeFevre to be anything but a success.

## Ernest Burnham

Friendly best describes the women of Ernest Burnham. They get together for things like teas, speakers, movies, and dances. There is also the Blood Drive, a Christmas Party for underprivileged children and special weekends that the residents take part in. Besides extra-curricular activities there are the busy phones, studying, quiet hours, card games, guys, and staying up late talking.

# Henry

The "gals" of Henry Hall strived to demonstrate social concern in many ways for themselves and for others.

A new scholarship fund was started to help students who needed a financial boost, also a special effort was made to take part in the campus-wide blood drive.

These events helped to add a little zest to the too often dreary dorm life.

## French

French House Council worked diligently this year to have a variety of activities for its women.

With hopes of retaining the President's Award, educational, cultural, and fun programs were organized and attended by many from the dorm.

House projects included a plexiglass divider for the lounge and a money changer.

## *Harrison-Stinson*

Harrison-Stinson has been a dorm full of zest and social concern.

It sponsored Christmas and Easter parties for area underprivileged children. The highlight of the year was the Mom's Weekend party, featuring moms in daughter's clothes and daughters in mom's clothes.

*Hoekje*

Hoekje's traditional excellence in educational activities, intramural athletics, and campus-wide competition took on a new impetus from a predominately freshman population. While "trophies" accumulated throughout the concrete and brick "mansion", one could sense a thirsting consumption of the university as well. Individual exuberance and small group spontaneity, as has always been the case with Hoekje's men, were the rule and not the exception.

# Vandercook

Vandercook Hall worked hard to build an atmosphere that allowed for academic and social growth.

Vandercook took part in the blood drive and Homecoming.

Since many of the students living at Vandercook were upperclassmen, there was little time for the traditional activities of campus life.

Spindler Hall is a women's dorm made up mostly of upperclass students.

A good academic atmosphere has been established, allowing an easy place for the residents to study.

There was little time for the usual WMU activities, however, Spindler did take part in the blood drive and in Homecoming activities.

## Zimmerman

The women of Zimmerman Hall and their director are proud of their dorm. Although it is small, this closely-knit organization of young women work together to achieve considerable results, both on campus and within the dorm. This past year they have finally realized their long awaited study room, oven, and lounge furnishings.

Individually the girls are interested in campus welfare, and a Zimmerman girl can be found on many committees and activities. Their involvement today will enrich their future pursuits.

## *News and Publications*

The campus News and Publications Office is operated by Robert G. Rubom, Director, and Joe B. Freeman, Associate Director. They are assisted by Linda Adamski, Secretary.

The staff members send news releases concerning students and general university activities to hometown newspapers. Other functions include the preparation of the WMU Magazine and Newsletter, the Paper Tech Bulletin, the Campus Guide and Continuing Education Division's Newsletter.

Nearly all photographs used in articles and publications about the university are taken by Mr. Rubom.

## *Alpha Phi Omega*

Instilling a spirit of leadership and friendship ranks high as goals of all the members of Alpha Phi Omega. Projects include helping with the campus blood drive, building a homecoming float, and raising money for charity each year. The members strive to make service to fellow man a part of all their lives. This service carries with it a feeling of deep satisfaction for a job well done. Membership is open to male students who respect the goals of friendship, leadership, and service, and will work to attain them.

They participate in the National Intercollegiate Flying meets held twice a year. This year the fall meet was in Auburn, Alabama. They brought back trophies in the navigation event. Now plans are being made for the spring meet in San Jose, California.

The club is active in promoting fun and safety in the General Aviation field, through projects and special programs.

## *University Auditorium Usher Corps*

The Usher Corps is a service organization acting as an integral part of the University Auditorium staff. Containing nearly 300 members the Usher Corps has a great potential for community involvement.

Previous projects have been caroling at various nursing homes, and throughout the community, decorating the Auditorium for Christmas, and partaking in homecoming activities. The Usher Corps has placed second with their float for two years.

The Ushers receive many benefits from their work by seeing top shows and meeting many of the performers. Any Western student is welcome to join the Usher Corps if they maintain a 2.0 G.P.A. The Usher Corps also welcomes freshmen, and spouses of any Usher Corps member.

As part of the Usher Corps staff the ushers maintain the coat check rooms. The money received from this goes into a scholarship fund. The Usher Corps is also contemplating purchasing a permanent art collection for the Auditorium.

## *Homecoming Executive Board*

As generations change like the seasons, so must each group. But like the lingering leaf on the winter tree, somethings must still remain with their roots deep in the soils of tradition.

"Sign of the Times", made a beginning to bring new relevance to the old tradition which was Homecoming.

Many new ideas were tried, many failed but the essence of change, of positive change, for a constructive future was nurtured by the people responsible for this year's event. In the future, though all the traditions that we now know may wither and fall from the tree; a new set will still cling. People will return with the hope of "getting together".

This leaf, this one tradition, must never fall and be covered and lost forever by winter's snow.

## Kappa Phi

This song, written by Susan McLean while she was pledging, exemplifies our feelings toward our goals in service, spirit and sisterhood:

#### AppaKip

Kappa Phi is loving and serving Jesus Christ,  
 Accepting all the love he gives  
 By giving him your life.  
 And Kappa Phi is giving  
 Forgetting personal greed;  
 And saying that I'd love to help  
 To others who are in need.

Kappa Phi is sharing your joys and  
 your sorrows, too  
 With sisters who all care about  
 What is happening to you.  
 And when we're all together  
 Our hearts and voices sing;  
 For we all share a warmth and love  
 With Jesus Christ our King!

## *Inter-Varsity Christian Fellowship*

Inter-Varsity Christian Fellowship is an inter-denominational organization offering Christian fellowship to the students on Western's campus. The purpose of I.V.C.F. is to lead others to a personal faith in Jesus Christ and to strengthen the Christian students own spiritual life through Bible study, prayer, and social activities. Meetings consisting of guest speakers, films, discussions, and group singing are held each Tuesday evening at 7:30 in lower Kanley Chapel.

## *St. Thomas More Student Council*

St. Thomas More Student Council is an organization opened to any and all interested students. Meetings are held every Wednesday night during Fall and Winter semesters.

Each semester two to three "Exercises in Christian Living" occur. These are weekends spent developing a better understanding of our fellow human being through brotherhood and community.

This year we have become interested in the visitation of the elderly in the community. Centering our attention mainly on three homes for the elderly, we visit with the people, writing letters, playing games, and just talking with them, to let them know we care.

In our bi-annual "Help Day" we help people in the community prepare for Winter or Spring by raking leaves and doing other chores. Always developing and spreading Christianity, while having fun too.

Typical Saturday night with nothing planned?

What's your thing? A movie, art exhibits, bowling, playing cards or just getting together to talk. No matter what your choice is, there's one place that may have the answer for you.

O.K. So you want something to do during the week—how about bridge? Beginning and intermediate lessons are offered. Six craft classes a semester are available. Discover a different philosophy, how about Zen?

Typewriter's jammed and you've got a paper due. Four typing rooms are available for your use.

Have a class project due and need copies for everyone? Avoid the hassle and expense with the Xerox machines, stop at our mimeo office for fast, efficient work at very reasonable rates.

Every publicity chairman, at one time or another, cringes at the thought of getting adequate coverage for an event. Stop at our poster distribution service—they will save you many steps and you can be assured that people will see your posters.

Now, you are probably wondering where is this place? It is within walking distance of the dorms and most apartments, so there is no problem with transportation. It is the University Student Center, hopefully one day to be the crossroads on our campus.

Western's triple jumpers grabbed the first three places led by Don Rencher (50-10½) Rod Mack (47-1½) and Bob Thomas (47-¾). Paul Olmstead winged his way to a 4:06 mile, a varsity record.

Opening the football season with their seventh successful debut in a row the Bronco gridders showed an impressive offense and defense in dumping Central Michigan, 41-0. That win also was Western's third consecutive opening shutout. Against Brigham Young at home defensive halfback Vern Brown intercepted a Lion pass in the WMU end zone and returned it for a Bronco TD. WMU put its 2-0 record on the line against Miami in a storm at Oxford and came out on the short end, 23-12 after leading 12-2 with only eight minutes left in the game. A potent offense had fallen prey to dropsy as the ball carriers turn it over three times a game by fumble. The defense also played well, scoring four TD's in four games and picking off 14 passes.

Western Michigan's football squad had its best season since 1941 when the gridders went undefeated through eight games. WMU also compiled a 7-3 record in 1966 however, when they earned a share of the Mid-American title. In the conference the Broncos dropped three games, all in the fourth quarter. Western downed non-conference rivals such as Brigham Young and West Texas State for the first time. Most of the team will be back next season including juniors Grignon, Lawson, Elias and Igaz.

## Cross Country

Capturing Mid-American and Central Collegiate Conference titles in two consecutive weeks, WMU's cross country squad appears to be as strong as the 1964 & 65 teams that won NCAA crowns. Two All-Americans, Jerry Liebenberg and Gary Harris have paced the squad through a highly successful fall, directed by Jack Shaw, the new head coach. Freshman ace Steve Stintzi has also led the Broncos on several occasions while Steve Gorsalitz, Mike Parrett and John Bennett have consistently turned in fine performances. Shaw has done a good job of tapering the harriers for next weeks NCAA title meet at William and Mary.

*Row One:* Ed Martell, Mgr.; Dave Evick, Mark Cobleigh, Gary Harris, John Bennett, Steve Stintzi, Kevin Johnson, Steve Gorsalitz, Jerry Liebenberg, Dave Mastervich. *Row Two:* Coach Jack Shaw, Mike Parrett, Denny Clack, Mike Harris, Rod Goodchild, Steve Bishop, Gary Morkey, Larry Lueth, Bill Michaelson, Mike Fant, Bill Morden, Ass't. Coach Boice Bowman.

## Cheerleaders

A handful of the spirited ones assemble at the beginning of the fall semester for tryouts. Some make it, some don't. Those who do, practice on the tramp, doing flips, flying through the air, and ready or not, windy, rainy or cold, they perform and attempt to spark a fire inside everyone. A fire that says I'm proud that I go to Western. The football team finished 7-3 for the season and maybe some people are proud that they go to WMU, the cheerleaders are.

Row One: Bill Gilbert, Dave Baird, John Dunsmoor, Randy Root, Brian Donaldson, Jim Ramp. Row Two: LuAnne Godfrey, Brenda Squire, Judy Walter, Kathy Clare, Judy Lutner, Wendy Cutchell.

# Soccer and Hockey

*Row One:* Ben Oni, Ron Reese, Bob See, John Muhanji, Keith Shroyer (foreground) Andy Kalnajs, John Wagner, Chris Udoh, Erick Pfeifer, Jerry Denchich. *Row Two:* Coach Pete Esdale, Moe Al-Skeikh, Nat Richardson, Tony Fioritto, Denny Buford, Mark Stutzman, Tom Zane, Bill French, Roger Weaver, Steve Zeilinski, Eugene Shannon, Silba Goncalves, Mgrs. # Swimming

Even with men returning of the caliber of Ron Marcikic, Mid-American runner-up in the 100 and 200 breaststroke; and Mike Murray, who finished second in the 200-yard freestyle at the conference meet, Coach Dave Diget feels that "it will be hard to improve our position in the conference, even though we will be stronger and faster, but the other teams will also improve. Western's swimmers placed fourth in the MAC a year ago.

*Row One:* Bruce Markham, Eric Bueschlen, Kelly Ketterman, Bill Eckberg, Gary Dombrowski, Brian Blain, Steve Tull. *Row Two:* Bob Fedewa, Jim Smith, Mark Boerner, Dana Rigtering, Dave Brinks, Dick Hastings, Stu Baker, Jim McIntyre. *Row Three:* Ass't Coach Bill Ryan, Ralph Moon, Bill Keithler, Greg Duke, Ron Marcikic, Larry Toth, Ron DuBois, Bob Renton, Coach Dave Diget.

# Wrestling

With three returning seniors and a group of fine youth, Western's grapplers could prove to be a threat in the Mid-American conference.

Heading up the list of promising matmen are Denny Buford, MAC 150-pound champ; Dick Bacon, MAC 137-pound titlist two years ago; and Tom Keelet, who as freshman last season merited runner-up honors at 142. The other senior Steve Newman placed third in the conference as did heavyweight Roger Rapaport.

In their first meet of the season the Bronco wrestlers pinned 11 opponents and earned seven first places, a second and for thirds as all of WMU's contestants placed in the WMU Invitational. Some impressive freshmen are Doug Wyn, Ron Miller and Bil DeVault as they all placed while competing against five others.

*Row One:* Dick Bacon, Rom Keeler, John Angelo, Bill DeVault, Ron Miller, Ed Sherry, Art Armijo. *Row Two:* Tom Lehman, Bill Beauvais, Doug Wyn, Chris Nickerson, Orville O'Neil, Kevin Garvey. *Row Three:* Mgr. Bill Walters, Denny Buford, Steve Newman, Roger Rappaport, Tom Radewahn, Terry Kannegeiter, Bob English, Coach George Hobbs.

## Gymnastics

As Western enters its fifth season Coach Fred Orlofsky said, "We have a tough schedule again this season, but this year we have more depth and proven point winners with which to face it." Larry Jordan heads the list of returning lettermen, and placed fifth in the NCAA meet a year ago. Chuch Beatty also shows great ability in several events as he holds three records. Jordan holds seven school marks. Bob Barrow is also a senior and holds the season record in the horizontal bar. Other men to watch for the gymnasts are Dennis Spencer and freshman Tom Welsh. As a frosh last season Spencer showed great ability placing in floor exercises.

*Row One:* Rob Schar, Rick Toohey, Dan Carlson, Ralph Henley, Larry Jordan, Bob Barrow, A. J. Poe. *Row Two:* Coach Fred Orlofsky, Jeff Ledermen, Steve Wagner, Chuck Beatty, Rich Good, Tom Welsh, Paul Boes.

# Basketball

Western Michigan's roundballers opened their season with three consecutive victories for the first time since the mid-fifties. In it's first encounter, the Broncos downed Minnesota (Duluth), 82-68, then went on to drop California Poly, 88-67, in their second home win of the week. In a scrimmage, Western hit the century mark, exploding a powerful offense against Athletes in Action (100-86). At their fourth exposure the WMU cagers traveled to East Lansing and dropped their first game, 97-85, as the defense broke down.

*Row One:* Earl Harper, Bill Vanderwoude, Chuck Washington, Coach Eldon Miller, Earl Jenkins, Carl Coleman, John Sperla, Earnest Pettis. *Row Two:* Ass't coach Joe Roberts, Ron Jones, Pete Hanold, Edd Durham, Jim Parcell, Lionel Motimore, Jim Patterson, Larry Sanders, Ass't Coach Dick Shilts, Mgr. Steve Seeburger.

## Basketball

Western has shown marked improvement especially on offense, as the team has averaged .417 shooting percentage from the floor so far this season and has averaged 89 points per game while the defense has allowed 79 a game, while out-rebounding the opposition. Earl Jenkins continues to show fine ability as he has averaged 20 points a game and 12 rebounds. Newcomers to the squad, Ernest Pettis and Chuck Washington, have chalked 19 and 11 points per game respectively, while Chuck clears 11 rebounds a game. Under the direction of the new Head Coach, Eldon Miller, the squad seems to have developed the winning spirit, and a team unity.

*“It is time to come alive  
and to be alert . . .  
and not to keep mouthing  
the same old slogans,  
and not to dawdle along  
in the same old ruts.”*

Walter Lippmann

Merry Ellen Eason—  
 "If a man does not keep pace with his companions, perhaps  
 It is because he hears a different drummer.  
 Let him step to the music that he hears,  
 However measured or far way." (Henry David Thoreau)

# Who's Who

Ronald Wilcoxson (above)—"The greatest calamite is not to have failed; but to have failed to try." (Unknown)  
 Vernon Davis (left)—"You give of little when you give your possessions. It is when you give of yourself that you truly give." (Gabrin)

Henry Pearson III—"The man who becomes so big and so "successful" that he has no time for a kind word or a helpful deed is not successful at all. His life is a failure."

Milan Tesanovich—"I will not follow where the path may lead, but I will go where there is no path, and I will leave a trail; for to be what we are, and to become what we are capable of becoming is the only end of life."

Pamela Schaffer—"Each of us is the only person who can give the other what each of us wants of have . . . Peace" (Unknown)

Diane Wilson—"Life consists not simply in what heredity and environment do to us, but in what we make out of what they do to us." (H. E. Fosdick)

Sharon Duffy Scherr—"To have joy one must share it. Happiness is born a twin." (Lord Byron)

David Wagemaker—"God, if you try to know Him, you might find that you'll like Him."

Ann Mazzo—"I do my thing and you do your thing, and if by chance we find each other, it's beautiful."

John Monigold—"The wind may blow from the East and the wind may blow from the West, but only God can make a tree."

Nancy Law

Eugene Shannon

Nancy Rumble (left)—“Not just live and let live, But live and **HELP** live.”  
Elizabeth Roseberg (above)—“You do what you’ve got to do, To get where you’ve got to go.”

James McFarland—"I live the life I love."

Dolores Barr—"We judge ourselves by what we feel capable of doing, while others judge us by what we have already done." (Longfellow)

Michael Dallas—"It is not the critic who counts, not the man who points out how the strong man stumbled or where the doer of deeds could have done better. The credit belongs to the man who is actually in the arena: whose face is marred by dust and sweat and blood; who strives valiantly; who errs and comes short again and again; who knows the great enthusiasms, the great devotions and spends himself in a worthy cause; who, at best, knows the triumph of high achievement and who at the worst, if he fails, at least fails while daring greatly, so that his place shall never be with those cold and timid souls who know neither victory nor defeat." (T. Roosevelt)

Barbara Brown

Michele Vernasco—"If we can't talk, we can't grow."

Melissa Mattis—"... I know of nothing more beautiful than the pure eyes of a child." (Michel Quoist)

Douglas Ratchliffe

Jeromee Liebenberg—"I wanted only to try to live in accord with the promptings which came from my true self."

Mary Bromel—  
"There exists among men  
Because they are men  
A solidarity through which  
Each shares responsibility  
For every injustice and every wrong  
Committed in the world,  
And especially for crimes  
That are committed in his presence  
Or of which he cannot be ignorant.  
(Karl Jasper)"

Chere Glass—"It's really a wonder that I haven't dropped all my ideals, because they seem so absurd and impossible to carry out. Yet I keep them because in spite of everything I still believe that people are really good at heart." (Ann Frank)

Marjorie Hannon (left)—"If only I may grow: firmer, simpler—quieter, warmer." (Dag Hammarskjöld)  
 Peter Sudnick (above)—"While men renew their abuse of the world and to each other, I wish for a place that is my own place, whose earth I am shaped in. A place where a man can grow whole in the world, at peace and in place. Thus, I refuse to sell my hands, my voice, and my mind to the arguments of power that go blind against what they would destroy."

Ellen Galloup—"I get by with a little help from my friends."

Cindy Willis—"Wonderfullest things are ever unmentionable; deep memories yield no epitaphs . . . (H. Melville)"

Jonathan Bull—"Survival! Till we figure out what's what. Till the chance comes to exert a positive influence. Not so much flapping in the breeze. What this country needs is a good five-cent synthesis."

David Kasper—"If one young man expects without faith, without thought, without study, without patience, preserving labor, in the midst of and in spite of discouragement, to attain anything in this world that is worth attaining, he will simply wake up, and find that he has been playing the part of the fool."

Steven Williams—"When a task confronts you, do it well or not at all, and never give up until it is finished."

Barbara Kopan—  
"The night calls  
as the grass reaches  
for the healing rain  
but it is last in the ebony.

Who will ever  
understand  
where the night  
and rain meet  
(Christine Martell)

*Finally!* The end has come. The deadlines have been met, and we feel we've put together a book Western can be proud of.

Many people have added bits and pieces to our book, but a huge thank-you goes to Delma Studios, from New York, who was responsible for our senior pictures, and to Paragon Press, our publishers. A special thank-you to Bob Talsma, from Paragon—a fantastic person to work with.

Of course no publication can get along without a well-organized and practical “money man”, and that was Bob. Thanks.

No one person could be responsible for organizing the details of the entire book, and in this case—two books, so we have our section editors. They were a great group to work with, and a special thank-you just has to be said to Marte, for doing such a great job on Volume I.

Photographers? Well, I think the photography speaks for them. They all came through in some pretty tight schedules.

Mr. Freeman, our advisor, deserves more than a thank-you for giving my staff and me the freedom to put our book together as we wished. We greatly appreciate the faith you put in us, now I hope we came through for you.

And what would I have done without “roomies” who put up with my frustration and my mess while the book was being put together.

Last, but far from least, a hug and a kiss to Dave who gave me the support to keep plugging along.

*Dee*
